

BIOAgeLess™

MOROCCAN

Revitalizing Leave-In Conditioner

*w/Organic Argan Oil
& PHYTO-KERATIN*

240ml

Features: *Organic Moroccan Argan Oil* and naturally-derived *PHYTO-KERATIN* enhance a base formulated to recondition and revitalize hair texture and appearance with no flaky build-up or residue...even with daily use! A Leave-In Conditioner loaded with emollient added shine, fullness and colour definition. Blended with avocado oil, glycerine and conditioning agents for easy comb through. Imparts a healthy glow and added hold. Notice the improvement in body and volume from your first application. Highly recommended for frizzy hair, dry and damaged hair from chemical treatments and blow-drying.

Directions: Simply apply after your hair is rinsed and towel dried, using your fingers or a comb to coat the hair from roots to ends. Either style or air dry naturally.

Ingredients: Argan (Argania Spinosa) Seed Oil, Deionized Water, Distearyltrimonium Chloride, Vegetable Glycerine, Cyclopentasiloxane (Dimethicone), Castor Isostearate Succinate, Persea Gratissima (Avocado) Fruit Oil, Triticum Vulgare (Wheat) Protein, Polydimethylsiloxane Quaternary, Steapyrium Chloride, Hydroxyl Ethyl Cellulose, Cetyl Alcohol, Stearyl Alcohol, Cetareth-6, Lecithin, Guar Hydroxypropyltrimonium, Lactic Acid, Phenoxyethanol and Caprylyl Glycol (Optiphen®).

No animal ingredients or testing. For external use only.
