

Features: Stimulates the development of bust tissues and improves its elasticity. Also stimulates the fatty tissues and ligaments around the breast which provide support and shape, resulting in a fuller and firmer bust. Helps to maintain collagen production and stimulates the development of skin cells to improve and maintain a natural, youthful look.

Directions: Spread over the bust area in a circular motion for about 3 - 5 minutes until the cream is completely absorbed. Apply twice daily, morning and night.

Main Ingredients: Mitracarpe Extract, Grape Seed Oil, Cypress Extract, Fennel Extract, Bearberry Extract.

No fragrance. No animal ingredients or testing. For external use only.
